

Dear Sir or Madame,

I would appreciate it if you would not allow the CBA appeal to negate the Indiana Do not Call List. I do not want a business that I have severed ties with to be able to call me on my personal telephone line and attempt to bring me back as a customer. If they could not keep me as a customer before, what makes them think they can bring me back. I do appreciate all you have done for me but this would be icing on the cake.
